TO WHOM IT MAY CONCERN:

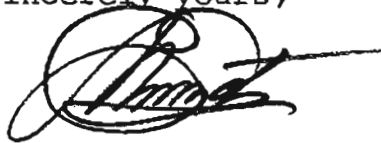

This is to certify that I have had the pleasure and privilege of personally knowing Mr. James (Jimmy) Dee of Guam for many years.

Jimmy is a fine and outstanding young man whose musical talents have provided many happy hours of listening to his fellow islanders on Guam and elsewhere. He is truly one of our most talented performers in the Pacific area and I am confident that anyone who pauses even briefly to listen to his excellent voice and wonderful presentation will soon become a Jimmy Dee fan as we all have without hesitation.

It is not often that a performer with the combined talents of Jimmy Dee comes along. We on Guam are especially proud of our heritage and of the unbeatable manner in which Jimmy Dee renders traditional Chamorro songs as well as his version of the latest hits.

My only regret is that all of my colleagues in the United States Congress have not had the same opportunity as I have had to see and hear Jimmy perform. I strongly believe that he would be as successful in Washington as he always is wherever he performs.

Sincerely yours,

ANTONIO B. WON PAT

Dear Jimmy:

Guam takes pride with its people, especially its very own who enhance the goodwill, friendship, and understanding among peoples of the Pacific and the world. You have done so in music - the universal language of mankind. You have excelled in the performing arts - the art of songs. You have brought cheer, joy, pride, and hope to our island people and those which have come to listen and enjoy the entertainment you provide.

On behalf of the people of Guam, I commend you for being "Guam's Ambassador of Song" to others. Your musical accomplishments are well portrayed in your recordings. Your songs have made you popular. In turn, Guam's rich cultural heritage is portrayed through your songs.

Let me wish you more success in your future endeavors.
