Dear Jimmy:

I can think of no words to express to you adequately my gratitude for the wonderful help and support you gave me during this year's Jerry Lewis Telethon.

To take time out of your busy schedule to give love and comfort to "Our Kids", and to help us ensure that millions of children yet to be born will not have to face the tragedy of dystrophy, is truly a beautiful thing.

In this day and age of selfishness and greed, it is reassuring to find people like you, so willing to give of themselves to help other people who cannot help themselves.

With deepest gratitude and affection,

Arthur Forrest
