Dear Jimmy,

On behalf of everyone in the MDA "family," I'd like to thank you for being here to help make this year's Jerry Lewis Labor Day Telethon "The Greatest Star Show Under The Sun."

We're at the homebase of a "Love Network" which will extend to every corner of the nation and reach into the hearts of millions of Americans. All of us are dedicated to winning the fight against muscular dystrophy. And in the 21½ hours before us, we're going to do everything we can to make television history with the biggest humanitarian fund raising event ever.

In expressing my gratitude to you for joining us here, I know I speak for the hundreds of thousands of children and adults who depend on the success of our effort to answer their prayers for a tomorrow free from the threat of neuromuscular disease.

Sincerely,

A handwritten signature in black ink, appearing to be "Bob", is written over the word "Sincerely,".
