Mr. Bob Dolce
Talent Coordinator
Johnny Carson/The Tonight Show
3000 West Alameda Avenue
Burbank, California 91523

Dear Mr. Dolce:

I would like to take this opportunity to introduce Jimmy Dee, Guam's foremost entertainer, superstar, and a longtime "Goodwill Ambassador" of Guam.

Jimmy Dee has been billed as Guam's "Elvis Presley", "The Music Man", "Mr. Guam", "Guam's Walking Tourist Attraction", among other impressive titles that he has earned and justly deserves for his many years of contributions and great achievements in the music and entertainment field as well as his tremendous work in promoting Guam's tourism and the good name of our island throughout the world.

Jimmy's career as a recording artist, singer, songwriter, showman, and choreographer spans over two decades. During the time Jimmy and his famous dance troupe "Guam's Glamour Girls", the Exciting Chamorritas have performed throughout many parts of the world including Hawaii, Hong Kong, Malaysia, Singapore, the Philippines throughout Japan and even Las Vegas and the U.S. mainland, to name a few. Jimmy Dee has recorded several albums and has dozens of number one hits that would be the equivalent of the stateside gold and platinum records.

Jimmy Dee also continues his very successful show as he has for the last 10 years at the Hilton International Guam main showroom, 6 nights a week entertaining and delighting tourists from Japan and around the world as well as our own local people.

Jimmy Dee attended California State University at Los Angeles and graduated with a bachelor of science degree in business administration. Jimmy puts his business education to good use as he has now become Chairman of the Board, CEO, and President of his own music enterprise as well as being very successful in the real estate and insurance business.

Commonwealth Now!

Jimmy Dee has become a major force in our music world as well as a very successful member of Guam's business community.

We take great pride in the achievements and success of Jimmy Dee in the world of business and entertainment. Just last April Jimmy Dee was awarded the Governor's Special Art Award for his great contribution to music.

We understand that Jimmy may have the opportunity to appear on the Johnny Carson Show, and would be most honored if this event were to take place.

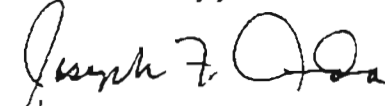

I would like to state that Jimmy has my full support and the support of the people of Guam. We feel that such an opportunity would be of benefit to all residents of Guam who would like to see our island draw the type of recognition Jimmy's appearance on your show would offer.

We hope to have the opportunity to see Jimmy Dee on the Johnny Carson Show in the near future, and if schedules permit, I would be proud to attend the show as a member of the studio audience.

We hope you find Jimmy Dee truly as exciting and worthy of his accomplishments as we on Guam and this side of the world do.

Thank you for your consideration and I hope we will meet in the near future.

Sincerely,

JOSEPH F. ADA
Governor of Guam
